NOTE B: If additional space is required for a reply, please attach a separate sheet.

As per Section **15.1495** of the Code of Virginia, **1950** (as amended), no such variance shall be authorized by the Board, unless it finds:

---

---

---

2. "That such hardship is not shared generally by other properties in the same zoning district and the same vicinity." Is your situation unique or are there other properties nearby with a similar problem?

---

---

---

3. "That the authorization of such variance will not be of substantial detriment to adjacent property and that the character of the district will not be changed by the granting of the variance." Could the granting of this variance in any way offend your neighbors?
